

C. Remarks

The specification has been amended to correct several, obvious typographical errors. The errors, as well as their corrections, are clear upon reviewing the entire specification. In particular, the terms "carriage portion 5" and "carriage 50" are used consistently throughout the specification except at page 17 (the substance of the present amendment) and at page 18 (corrected by Examiner's amendment). In addition, the proposed changes do not affect the scope of any claim and are not believed to raise new issues or to require further consideration. Accordingly, entry of this Amendment After Allowance is respectfully requested.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
